A FAMILY TRADITION FOR 68 YEARS

Our family restaurant opened its doors on July 2nd, 1956 by founders Frances and Michael Geraci. After establishing our roots in University Heights over 68 years ago, we've opened new locations in Pepper Pike, Mayfield Village, Willoughby, & Downtown Cleveland. All restaurants are still family-owned and operated by the founders' daughter, Marti Geraci Spoth, her husband Greg Spoth, and their children.

Our casual, family-friendly restaurants proudly serve traditional Italian pastas, entrées and award-winning pizzas using the same unaltered recipes that have been passed down by our ancestors in Sicily. As one of Cleveland's longest standing traditions, we are humbled by the overwhelming support our community has shown over the years. Whether you've watched us grow or we've watched you grow, it has been a tremendous honor to share our love for good food and good company with family and friends, both near and far.

Here's to many more years to come!
